RAAKUJ62.5-10

10-Pole Push-In Terminal Block Kit | 20A 600V | 26–12 AWG | 6-Inch DIN Rail

TECHNICAL SPECIFICATIONS

Specification	Value
ASI part number	RAAKUJ62.5-10
Product type	Preassembled feed-through terminal strip
Number of terminal blocks	10
Independent circuits	10
Wire connections	20 total, 2 per block
Terminal block model	ASI421456 / ASIUJ6-2.5
Voltage Rating	600V
Current Rating	20A per terminal block
Wire range	26–12 AWG, solid or stranded
Connection type	Push-in
Terminal block width	5.2mm
Total terminal width	52mm, excluding accessories
DIN rail length	6 inches (152.4mm)
Circuit identification	Wire markers
Component recognition	UL Recognized terminal blocks
